4. The first time you enter Turnitin Feedback Studio, you may be asked to agree to the user agreement. Make sure you click I agree.

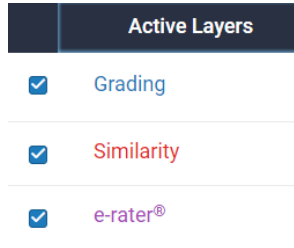

5. The first time you enter Turnitin Feedback Studio, you can take a tour of it by clicking the arrows. If you don't want to, click the x in the corner.

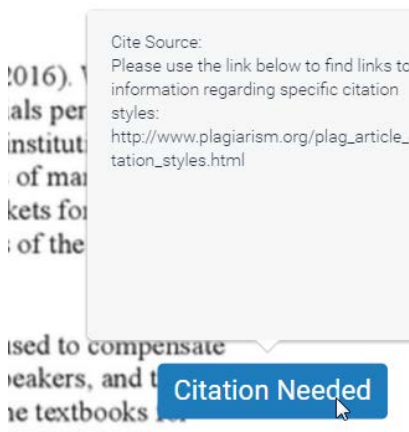

- On the right side of the page, you will see the overall feedback from your instructor. This may be in the form of a rubric, a text comment, or a recorded voice comment. After you view those, click the layers button.

Check all of the boxes shown to see all feedback.

- If you scroll down the page of your paper, you will see comments throughout the page in the places your instructor put them. Click a comment to see an expanded explanation.

- If you click the match overview button, you will see your similarity report. Reviewing this will help you understand the similarity percentage you got on your paper.
